VIP
Silver Pipe

Design: Friis & Moltke
Denmark

Silver Pipe Manual:

The Silver Pipe is a projection screen incased in a matt anodized aluminum tube that can be wall mounted or ceiling mounted (dry wall ceiling only) and is available as a manual pull down screen in 3 standard sizes:

56" w x 56" h

62" w x 79" h

72" w x 79" h

The screen is an opaque, fire resistant screen suitable for film, video, overhead or slide projection. The screen has a gain figure of approximately 1.0 up to a 50 degree angle.

-available on-
eexpress

Silver Pipe Electric:

The Silver Piper is available as an electrically operated screen and comes with a 3' cable without plug as standard that is located on the left side of the tube. The motor is 230 volt and available with an optional remote control. The screen can be wall mounted or ceiling mounted (as shown-dry wall ceiling only). This screen is available in 5 standard sizes:

78" w x 79" h

84" w x 95" h

96" w x 95" h

117" w x 87" h

117" w x 118" h (with 1 horizontal seam)

Also available in 5 extra-large sizes, the Silver Pipe XL has a screen that is tear-proof with a fiberglass base and a PVC coating. The screen can be wall mounted or ceiling mounted (as shown-dry wall ceiling only). The sizes are as follows:

102" w x 118" h

118" w x 87" h

138" w x 178" h

158" w x 178" h

178" w x 178" h
